

GREEN PRO CERTIFIED PRODUCTS

ABOUT US

1

Nexon Paints, headquartered in Hyderabad, is a leading manufacturer and marketer of Decorative Paints in the country.

2

Our Paint portfolio includes Interior and Exterior Emulsions, Primers, Solvent based products and Putty/Texture.

3

Over the past 10 years, we have created a reputation of providing very good quality products and excellent customer service. Thus we have emerged as the brand of choice for Painters, Contractors, and Builders.

4

We provide excellent value for money to our customers. We also believe in product innovation whilst at the same time being environment friendly.

VISION

- Offer the best in class value proposition with regards to the performance of our paints.
- Nurturing a winning network of partners and building mutual loyalty.
- Merit and performance based approach within our ecosystem which will create winning teams.
- Care for the environment

MISSION

- We would like to be one of the trusted player in India in the decorative paints segment.

VALUES

- Integrity above all
- Flawless Service
- Transparent Ecosystem

ECO-FRIENDLY PAINTS

At Nexon Paints, we are environment friendly and believe in nurturing the ecosystem. Thus we thoroughly promote non-polluting water based paints.

BENEFITS

- The environmental impact depends upon the type of paint used.
- Traditional paint products have harmful effects on the environment and humans who use it.
- Key Impacts:-
 1. Climate Change
 2. Human Toxicity
 3. Fossil Fuel Depletion
 4. Ozone layer depletion
 5. Toxicity in fresh water and land/soil.
